Prizes are non-cumulative and are awarded 1 patch and/or prize per order form (so long as \$75+ is sold). Should your family wish to pool sales dollars to receive one patch/prize, please clearly note it on the order form by writing (for example) ‘Smith Family’ as the seller name. If your family wishes for each sibling to receive their own patch/prize, they will need to each submit a separate order form with sales of \$75+ on each form. Also – if a girl reaches a level and does not want that prize, she can opt to receive 1 prize from a lower level if she prefers it to the prize offered. Please notify us of any prize adjustments when orders are turned in. Thank you!
